GREENSBORO

MEMORIAL & HONOR GIFT PROGRAM

When you live in a community with "green" in its name, you would expect that making and keeping visually appealing surroundings is a priority. In our community, Greensboro Beautiful has long embraced that mission. By partnering with the Greensboro Parks & Recreation Department, Greensboro Beautiful can provide opportunities for citizens to play an active role in making and keeping the "green" in Greensboro.

One way in which this is accomplished is through Greensboro Beautiful's Memorial and Honor Tree Program. This program offers a unique way to remember family members, honor friends and to celebrate special occasions with the lasting gift of a tree for planting on public property in the city of Greensboro.

A gift tree can be purchased as a memorial or an honorarium, and special notes will be sent to designated individuals, telling them of the gift tree and listing the donor's name and address.

Donors may select a canopy or an understory tree, the desired planting location (lists provided at right), or simply indicate "where needed".

General memorial and honor gift contributions in any amount may also be made, and are pooled to fund the purchase of trees, shrubs and plants where needed throughout the community. Notification is provided for these gifts as well.

Notifications are mailed immediately. However, trees are planted in November, December and January only. Gifts must be received before October 1 for trees to be planted during these months. Gifts received after this date will be held and used to plant trees the following year.

Greensboro Beautiful and the Greensboro Parks & Recreation Department reserve the right to hold plantings if needed with respect to water availability.

Once the gift tree is planted, the donor and designated individuals are notified of its planting date, type and location.

Invest in the appearance of your community while remembering someone special or celebrating a special occasion with a unique and lasting gift. Simply complete the attached form and return it, along with your gift, to the Greensboro Beautiful office. Contributions for gift trees are tax-deductible, and checks should be made payable to Greensboro Beautiful, Inc.

For more information on the Memorial & Honor Tree Program, please call the Greensboro Beautiful office at 373-2199.
